

Excaliber Curling Delivery Stick

Brand: Goldline

Price: \$89.99

Product Description

The Excaliber curling delivery stick provides clean and accurate delivery from a standing position. Fits all rock handles.

Description

If you are either unable to get down and throw from the hack, or simply choose not to do so, delivery sticks offer a highly effective option. Delivery sticks take some practise, however once mastered, your weight and accuracy match that of the traditional hack delivery. Comes on a 1" FG (fiberglass) handle.
